General Information:

Inasmuch as other loans are available that are designed for long-term assistance and due to the limited funds available to the Xi Psi Phi-William E. Koch Student Loan Fund, this fund must be considered as an "emergency loan" fund. This fund is available only to needy junior, senior or graduate dental students in good standing at an accredited dental school, regardless of fraternity affiliation.

At this time the maximum loan is \$1,000. A student may apply for a second loan the following year. Because of the limited funds available, monthly payments on the loan must be started ninety (90) days after graduation. The minimum monthly payment will be \$50 for each loan. There will be an interest charge at a rate of five percent (5%) per annum on the balance of the loan starting the day the loan check is dated. The interest will be compounded biannually (January 1 and July 1). Sixty (60) days after the 90-day grace period, if no payment has been made, the loan will be overdue and the rate will increase to ten percent (10%) per annum.

It will be necessary for you to sign a promissory note (included in the application). You will also be asked to have a cosigner. The cosigner may not be your spouse or another dental student.

TO: All College Chapter Advisors
FROM: Board of Trustees, Student Loan Fund
SUBJECT: Student's Application for Loan

The Board of Trustees would like to enlist your help in evaluating the applications we receive for student loans. The loans are meant for an emergency in which a junior, senior or graduate student needs money to buy equipment for school or to pay bills. The Fund has a limited amount of money; therefore, the loans are \$1,000 each. The student can apply for a second loan.

The Trustees are limited in their knowledge of the student's circumstances by what is written on the application. We would like you to round out the application by telling us what is not on the application. Such as: Is the student a hard worker and conscientious? Is the student a good Fraternity member? Is he/she active in the Fraternity and the school? Any other pertinent information would be appreciated.

A copy of the new application for a loan is attached. Please read through the application to acquaint yourself with the questions. You will note that on the bottom of the second page there are instructions to the student on how to handle the application. The application is to be given to you for your comments (last page). If you would rather not comment for some reason, please say so. Please seal the envelope and mail the application. The correct postage should have been placed on the envelope by the student.

You may obtain additional copies of the application from Dr. Thomas J. Bonomo at the address and telephone number listed below; the Supreme Chapter Office, 1623 Washington Avenue #300, Alton, IL 62002; Phone: 618-463-1889; Fax: 618-463-1882; E-mail: XIPSIPHI@hotmail.com; or you may download it from the website: www.XIPSIPHI.org

The Trustees thank you for any help you can give.
